Tun circular letter of Mr. Marchbanks, of Sparta, which will be found in our Nashville special, possesses great interest for all banks and bankers in the State. It auggests an imperative Gen. Earle Killed While Leading a necessity, growing out of the \$nprema Court's recent decision as to contract rates of interest, for a concarted movement by all the banks to secure such legislation at the hands of the present Legislature as will secure the passage of a law declaring ten per cent. the legal rate of interest. The question is an with black, as a token of the grief which important one and ought to have the serious attention of all classes.
